Motion: Action on Student Discipline Hearing

It was moved by Mr. Lauschke, seconded by Ms. Monckton and carried unanimously that the Board of Education, after considering evidence and mitigation witnesses, finds as follows: based upon and after the Board's consideration of the evidence and testimony of the expulsion hearing held on October 17, 2016, the Board of Education find that Student No. 180734 has committed an act of gross misconduct as charged by the District's Administration in that Student No. 180734 committed Assault & Battery, Fighting/Entering an Existing Fight, Disorderly Conduct and Engaging in Activity that Constitutes an Interference with School Purposes and

Educational Function on September 27, 2016 in violation of Board Policy 7:210 Expulsion Procedures.

I move that the Board of Education expel Student No. 180734 for two years (October 18, 2016 – October 18, 2018, but that the expulsion be held in abeyance and Student No. 180734 be administratively transferred to an alternative school as determined by the District's Administration, pursuant to Article 13A of the Illinois School Code. Prior to considering a recommendation for expulsion, the District's Administration attempted other behavioral and disciplinary interventions and determined there are no other appropriate and available behavioral and disciplinary interventions. The interventions previously attempted with the student included: The Student Handbook and Agenda that is passed out at Registration. The Back-to-School Assembly covers student behavior and expectations. Suspended Curriculum is presented in each classroom over the first two days of school. There is signage at various locations around school to remind students of expectations in those areas. There is supervision in the areas where the students can congregate in the mornings. There was a teacher's assistant from the other student's class very near who tried to get the other student to leave the area and go to his class. The security person recognized that the discussion was getting heated and moved to the area to attempt to prevent and stop the fight multiple times. An assistant principal came to the area just after the fight began and urged the students to stop multiple times.

Removing Student No. 180734 from the learning environment is in the best interest of the school because this student's continued presence in school would pose a threat to the safety of other students, staff or members of the school community and substantially disrupt, impede or interfere with the operation of the school. The duration of Student No. 180734's expulsion is appropriate based upon the gravity of the misconduct, the illegal nature of the misconduct, the safety concerns and disruption caused by the misconduct, and prior behavioral and disciplinary interventions to support the student and promote acceptable behavior.

The expulsion being held in abeyance is contingent upon the student's full participation in the alternative school program, including regularly attending school; complying with attendance policies, school rules, and any referrals for services or counseling made by the alternative school; and successfully completing the alternative school's curriculum.

I move that should Student No. 180734 fail to fully participate in the alternative school program and the alternative school refers the student back to the District, Student No. 180734 shall be immediately expelled from Alton Community Unit School District #11 for the remainder of the District Administration's recommended expulsion duration, through October 18, 2018.

President Gray adjourned the meeting at 6:11 p.m.
