Alton Community Unit School District #11

PARENTAL CHAIN OF COMMAND

The Alton School District takes pride in its communication efforts with all stakeholders of the District. To ensure that parent concerns or issues are heard by the appropriate individual who can resolve the issue at the point of origin and provide a direct response, the Board of Education asks that parents follow the District's Chain of Command outlined below. It is the intent of the Chain of Command to resolve concerns and issues during the earliest steps with the individual(s) directly involved with the concerns.

Step 1) In the event of a concern, a parent or community member should contact the teacher, Assistant Principal, supervisor, coach or staff member who is directly involved with the concern or situation.

Step 2) If a parent or community member has completed Step 1 and feels that the issue/concerns was not remedied, they should contact the building Principal, Director of the program, or the Athletic Director (for sports-related concerns).

Step 3) If a parent or community member has completed Steps 1 and 2 and feels that the issue/concern warrants yet further discussion, the parent or community member should then contact the Board of Education office to speak with a central office administrator.
