Throughout the year, the District is the recipient of many gifts and contributions from parents, friends, community service groups, business and industries. A concerted effort has been made to obtain an accurate accounting of donations for this school year.

Without the help of these generous people serving as volunteers and donors to help our students and staff, it would be difficult to provide a comprehensive educational program.

Each school acknowledges their volunteers and donations in a special way. Tonight the Board of Education would like to extend a heartfelt thank you to everyone who has helped make this school year successful.
