\*The minimum number of Reimbursable Meal "Entrée" Choices is one (1) per the 21-day cycle menu. This column does not denote the number of additional "entrée" choices. For example, two (2) means the one (1) entrée per the 21-day cycle menu AND one (1) additional "varied" entrée that may be served as part of the reimbursable meal, for a total of two (2) reimbursable meal entrées from which students may choose. In addition, the varied Reimbursable Meal "Entrée" Choices are generally not the same as the Additional Daily Offerings.
