

Alton Community Unit School District #11

Date

Dear _____,

Your child, _____, is struggling to reach academic or behavioral benchmarks. Additional support will be provided to him/her at the Tier _____ level.

For your child to reach his/her academic or behavioral needs, he/she will begin the intervention _____ to work on _____ . Your child will receive research-based interventions for an additional _____ minutes _____ days a week. This support will be in addition to the core instruction that all students receive. The interventions will be provided by _____, a Title 1 Reading Teacher.

To assure continual progress is taking place, he/she will be monitored using _____. The school's Response to Intervention Committee will review his/her progress and adjust the intervention as needed.

Please contact me if you have any questions or concerns.
